PROFILE SUMMARY

I am seeking a challenging role where I can utilize my skills in strategic planning, team leadership, and creative problem-solving to achieve business objectives.

INTERNSHIP

- I have completed the internship at Wings Technocrats Pvt. Ltd, Salem.
- I completed an internship at DigiPlus Academy in Trichy.

PROJECTS

Loan Application Management System

Developed a PHP-based web application for efficient management of loan applications, integrating MySQL for data storage and jQuery for dynamic content. Managed frontend design using HTML, CSS, and Bootstrap.

QR - Based chemical info system

Developed a web-based system to manage and retrieve chemical information using QR code technology integrated with a MYSQL database. The system allows quick access to chemical details via scanning. Managed frontend design using HTML, CSS, Bootstrap, and JavaScript.

CERTIFICATIONS

- Completed Oracle Cloud Infrastructure - Foundation Associate certification.
- Completed the PHP course on Infosys Springboard (Skillsoft Percipio).
- Diploma in Computer Applications (CSC).
